STMA Rules PREFACE

These Rules duly adopted by the Board of Directors of Sea Trail Master Association, Inc. (STMA) are applicable to STMA owned common facilities and all residential property. The Rules have been adopted pursuant to the Second Amended Consolidated Master Declaration and Development Plan (SACMD) for Sea Trail and all supplements thereto, STMA By-Laws, and the Architectural Design Standards (ADS). The Architectural Standards Committee (ASC) responds to submissions pertaining to architectural design. These Rules, their limitations, restrictions, covenants and conditions are binding upon all entities (property owners, tenants, transients, invitees, and guests) who have or may acquire an interest in Sea Trail Resort (STR) residential property and who have the right to use STMA common facilities within STR. If there is any conflict between these Rules and the SACMD, By-Laws, and the ADS, the SACMD shall prevail. The purpose of these Rules is to provide structure and discipline in the STR community for the residential properties and STMA common facilities and to promote respect for and among occupants of STR residential property.

I. GENERAL INFORMATION

These Rules, the SACMD, By-Laws, and the ADS may be accessed on the Sea Trail Property Owners web site www.mapost.org under "About Sea Trail", "Important Documents" (Log In with Password required). A copy may be obtained at cost from the STMA Administrator by written request to STMA P.O. Box 7025, Ocean Isle Beach, NC 28469, or by email to stmaadmin@atmc.net. The owner of a residential unit leased for thirty days or more is required to provide a copy of these Rules to their tenants and to ensure the tenants understand the obligation to adhere to them.

STR is located within the Town of Sunset Beach and Brunswick County in North Carolina. All statutes and ordinances of the State of North Carolina, County of Brunswick, and Town of Sunset Beach are applicable to all real property located within STR.

STMA Rules
II. PROPERTY OWNERS

A. STMA MEMBERS. Membership in STMA is defined in paragraphs 1.21 and 3.2 of the SACMD. For the sole purpose of these Rules, the term “property owner” shall mean all title holders named in the recorded deed for residential property within STR and their spouse or the adult individual with whom the title holder resides on a permanent basis. All property owners as so defined are members of STMA and entitled to the rights and privileges encompassed within these Rules.

B. STMA MEMBER CONTACT INFORMATION. STMA Members are required to provide their mailing address(es), email address(es) and telephone number(s) to the STMA Administrator within ten days of the date the title is acquired. STMA shall be entitled to rely upon the information provided pursuant to this requirement in all notifications required under these Rules and the SACMD. Changes in contact information must be provided to the STMA Administrator within ten days of the date of such change. This information will only be used for STMA notifications and will not be given or sold for any other purpose with the sole exception that it will be provided to STR to allow STR to provide direct notice to property owners of resort events; however, property owners may opt out of receipt of STR notifications by contacting the STMA Administrator in writing (stmaadmin@atmc.net).

4. FORMAL PROCEDURE: (continued)

f. STMA in its sole discretion, by the affirmative vote of a majority of the members of the Board of Directors, and following fifteen days written notice to the property owner, may enter upon and make or cause to be made repairs to any improvements located on a property owner's/card holder's property, such as, but not limited to removal of trash, cutting of grass, maintaining mulched areas, pruning of shrubbery, weeding and items of erosion control and such maintenance on any improvements located on the property as the Board in its sole discretion deems necessary to maintain the proper condition of the premises and the neighborhood. The STMA Board may assess the property owner for compensation relating to such maintenance.

g. If multiple rules have been violated in a single incident, or if the condition persists more than ten days after the delivery date of the First Notification of Rule Violation Letter, each rule and each day shall be considered a separate violation.

5. FIRST NOTIFICATION OF RULE VIOLATION: Should the alleged violation not be cured within ten days following the delivery of the First Notification of Rules Violation, no fine shall be imposed on the property or the property owner or billed to the property's assessment account. A Second Notification of Rule Violation letter will be delivered to the property owner advising that the property owner may be subject to the imposition of fines the suspension of use privileges of the STMA common facilities, and deactivation of the property owners' access card(s).

6. SECOND NOTIFICATION OF RULE VIOLATION: Upon delivery of a Second Notification of Rule Violation letter, the property owner shall be given notice of a hearing date before the Rules Committee. The hearing notice shall be mailed or hand delivered at least five days before the hearing date. At the hearing, the property owner shall have an opportunity to present evidence to the Rules Committee as to why there has been no violation, or circumstances in mitigation of the violation.

7. FINES AND HEARING PROCESS: Property Owners shall be notified of a Rules Committee decision and the amount of the fine, if imposed, within fifteen days of that decision. The property owner shall be given five days after the notification to correct the violation. If, after five days, the violation is not corrected, the property owner shall be subject to a fine of up to \$100 per day for so long as the violation continues to exist without further hearings on the part of the Rules Committee.

8. HEARING TIMING: The property owner shall have fifteen days following delivery of the Rules Committee decision to request a hearing before the STMA Board of Directors.

9. FINE TIMING: Any fine imposed against a property owner shall be paid within thirty days. Failure to remit timely payment shall subject the fine to STMA's adopted collection policy.

IV. STMA RULES ENFORCEMENT POLICIES AND PROCEDURES (continued)

D. ENFORCEMENT PROCEDURES: (continued)

10. SERIOUS AND PERSISTENT RULES VIOLATIONS: If a serious or persistent violation of the rules occurs, the Rules Committee may take additional action by increasing a previously imposed fine at a rate of \$100.00 per day for each day the violation continues to exist, and/or deactivation of the property owner's access card(s). In the event of a deactivation of the property owners' access card(s) the property owner shall be required to pay a \$25 fee for re-activation, provided all violations have been abated.

11. CONSIDERATIONS IN ADMINISTERING THE VIOLATIONS PROCEDURE:

a. Safety Violations: For any violations that involve or may involve endangerment or safety of any person or property, STMA may immediately take any necessary and appropriate action.

b. Common Property Damage Violations: A property owner involved in or connected with any damage to the common areas or their contents shall be held responsible for reimbursement to STMA for the cost of repairs and/or replacement.

12. MEDIATION: North Carolina statutes have established a Voluntary Pre-litigation Mediation program for disputes between property owners and homeowners associations. Prior to filing a legal action involving a dispute under Chapter 47C of the General Statutes of North Carolina (North Carolina Planned Community Act) or the association's declaration, bylaws or rules, either STMA, as a homeowners association, or a property owner who has received notice from STMA of a matter relating to real estate about which STMA and the property owner cannot agree (other than failure to timely pay a STMA assessment or any fines or fees associated with the leveling or collection of a STMA assessment) may contact the North Carolina Dispute Resolution Commission or the Mediation Network of North Carolina for the name of a mediator or community mediation center to mediate any dispute between STMA and a property owner. Either party may decline mediation.
