Welcome to your adorable beach retreat in the amenity-rich community of Sea Trail! This 2 bedroom, 2 bathroom home has been thoughtfully updated and is ready for a new owner. Sugar Sands is a section in Sea Trail where the homes are very conveniently located, extremely near the beach and town areas of Sunset Beach. It's almost as if you have your own private entrance into

the community. You will feel the curb appeal as soon as you approach the home, with its shade tree canopy and lush landscaping. The large and well-appointed kitchen has been updated with new cabinetry, granite countertops, and stainless steel appliances. LVP flooring runs throughout the home, so there is no carpet to worry about here. The living room offers comfortable space with

plenty of natural light streaming in and even boasts a wood-burning fireplace. Sliders lead out to the immense covered deck, and the sunroom is adjacent as well, giving plenty of room to entertain guests. The primary suite is quite spacious, with another set of sliders leading to the covered deck, a bathroom with dual vanities and a tub/shower combo, and a customized walk-in closet. The

guest bedroom is also comfortably sized and contains a door granting direct access to the guest bathroom. You will just love the covered Trex deck, with plenty of space to have a seating area, some additional chairs, and a dining area. The garage is totally another hangout spot, customized with cabinetry, a wet bar area, and a custom-built bar. It may be the nicest garage you've ever seen! This location could not be any more convenient, with daily living needs, the beach, and multiple golf courses within a 5 minute ride.
