LEARN MORE

This newer, well maintained home with golf-front lot and stunning finishes is truly move-in ready! These conscientious owners have done several upgrades so you won't have to! You will love the feel of this open and airy home, with split floor plan for maximum privacy. Both the exterior and interior boast an attractive, modern, coastal craftsman style. Trim detail in the main area of the home includes wainscoting in the foyer, dining area and office, a vaulted ceiling in the living room with faux beams,

36" ventless gas fireplace with shiplap surround and built-ins with floating shelves. Engineered hardwood flooring adorns the living areas and first floor bedrooms, with tile in laundry and bathrooms and new carpet with upgraded padding in the bonus room. The gourmet kitchen includes soft-close cabinetry, a large island, quartz counters, fire clay farmhouse sink, and under and over-cabinet lighting. You will love the appliance suite, consisting of a wall/convection microwave oven combo, 5 burner gas cook-

top, dishwasher, and vented hood. The primary suite is your retreat at the end of the day, with its luxurious spa-like feel. Features include a tray ceiling with rope lighting, double glass doors to porch, walk-in closet with melamine shelving, dual sink vanity with additional make-up vanity, zero-entry tiled shower with LED lit wall niche, and a freestanding soaking tub. Imagine yourself enjoying mornings and evenings on your graciously sized, tiled, screened porch with patio, watching the wildlife

and the golfers pass by. Visiting guests? No problem! They can have the bonus room with its own bathroom as their private quarters, which contains a closet and additional walk-in storage. Exterior features of this home include James Hardie siding with stone accents, lush landscaping, and zoned irrigation with drip lines. Other desirable features of this home include a zoned HVAC system, tankless propane water heater and pest control utilizing tubing in the walls.
