Silver Coast Properties is a full-service real estate brokerage providing sales and marketing support to southeastern North Carolina residents, as well as comprehensive buyer support including property evaluation, negotiations, and acquisition. Our commitment to clients has resulted in a sterling reputation with thousands of satisfied real estate buyers and sellers.

SELLER SERVICES

Silver Coast Properties is more than a real estate company, we are your technology and marketing partner. We provide our real estate listing clients with access to the latest in cutting-edge technology to make their property stand out from the competition.

More than 98% of would-be buyers begin by investigating communities and real estate online. We capitalize on this trend for our clients by employing the latest 3-D virtual tour technology, professional photography, aerial photography and custom website

development for each home.

Many large national brokerages flout their size as the reason you should list your property with them. The reality is the Internet has given the advantage to small dynamic companies. In fact, the data indicates that less than 10% of the time, properties are sold by the same listing company.

Our boutique-style brokerage provides the individualized service that our clients expect from a business partner. Silver Coast Properties possesses the knowledge and

market acumen to communicate the benefits of your home to would-be buyers.

Many firms will enter your home in the MLS and wait for a buyer. We are actively engaged in the process of marketing your home online and through a network of marketing channels. Boasting more than 20 top ranking websites, we are uniquely poised to market and sell your property.

Call us at (800) 975-6024 for a confidential, no-pressure discussion about our services and market conditions.

BUYER SERVICES

Our area offers a diverse collection of real estate options appealing to individuals and families interested in a full-time residence, second home or beach getaway. The real estate products support a variety of needs and budgets. We are here to help you understand the myriad of options and advise you which is the best choice based on your needs.

New Home Construction

Sunset Beach is a desirable seaside location and continues to offer new home construction on both privately owned and developer owned lots. We are here to support you throughout the new home construction process. Building a home can be a very rewarding experience, allowing the homeowner the ability to tailor the home to their tastes and lifestyle. Our team is here to offer as much or as little assistance as you need based on your knowledge, experience comfort level with building a home. The Silver Coast Properties team provides the same assistance as if the owner were purchasing a pre-owned home. And, like a pre-owned home, our agency is compensated by the seller/

builder to help both parties achieve their desired goals.

Custom Home Building Lots

Silver Coast Properties provides essential services to help our clients identify, evaluate, and purchase a building lot. Our experienced team will help you identify the best fit for your needs and budget, as well as avoid those areas that are more susceptible to flooding, have disadvantaged locations or may require higher lot preparation and construction costs.

We support our clients with reputable builder recommendations and hold your hand through the building process. With more than a decade of experience helping with new construction our team is here to be a pivotal ally in turning your custom dream home into a reality.

Our professional support includes, but is not limited to:

- Identifying the perfect lot
- Sourcing a qualified home designer/ar-

chitect

- Evaluating and selecting a local builder
- Providing recommendations for home features based on our years of experience
- Coordinating a transition rental while you build—depending on your needs

Pre-owned Homes, Townhouses and Condominiums

Pre-owned homes are a convenient option for our clients that don't have the time to build or don't wish to go through the building process. The availability of pre-owned homes varies through the year with the spring and fall historically being the more active real estate markets. However, the expectation of a busy season has changed in the last few years because of a steady stream of new residents investigating and falling in love with our desirable seaside location.

Call us at (800) 975-6024 for a confidential, no-pressure discussion about our services and market conditions.

MAKAYLA LYLES • REAL ESTATE BROKER

About Me: Who wouldn't want sunny days and the smell of the ocean? The inspiring beauty is what drew me to Brunswick County! Moving from New Jersey to North Carolina, I knew I wanted to join a community and connect with members who absolutely love where they live. The opportunity to help people discover this beautiful coastal area is what brought me to a career as a real estate broker.

My work as a property manager for family-owned properties, first sparked my interest in the real estate profession and helped hone my management skills. Coming from an entrepreneurial family that

has local businesses, I take pride in the customer service and interpersonal skills I have developed over the years. My role in managing operations for the family businesses has instilled a roll-up-sleeves commitment to execution, which I will bring to my clients.

Whether you are looking to sell, buy, or invest, the process should be seamless. I am at your service to deliver the utmost pleasurable experience to you!

DID YOU KNOW?

SMALL MAINTENANCE TASKS CAN MAKE A BIG DIFFERENCE

Your home is one of your biggest investments. A little routine maintenance can help prevent costly repairs, keep your home running efficiently, and protect its value.

Once a Year

- Flush your water heater to help remove sediment and maintain efficiency.
- Have your HVAC system serviced before the heavy-use seasons.
- Service your garage door and inspect springs, rollers, and hardware.
- Inspect your roof for damaged or missing shingles and worn flashing.
- Clean your dryer vent to improve efficiency and reduce fire risk.

Multiple Times a Year

- Clean gutters and downspouts to prevent water damage.
- Replace HVAC filters every 1–3 months, depending on use and filter type.
- Check smoke and carbon monoxide detectors and replace batteries as needed.
- Inspect caulking around windows, doors, tubs, and showers to keep moisture out.
- Trim trees and branches away from your roof and home.
- Inspect your attic/ crawl space for signs of moisture, mold, or pests.
- Reverse ceiling fans seasonally — clockwise in winter and counterclockwise in summer.
- Inspect weather stripping

A little time spent maintaining your home today can help prevent a much bigger expense tomorrow.

Catch Sea-Cruz live on Friday, October 16, from 6:00 PM to 8:00 PM at the 45th Annual NC Oyster Festival in Ocean Isle Beach. It's the perfect way to start a weekend filled with great entertainment, delicious food, fresh oysters, unique vendors, and family fun.

Run Ocean Isle Beach

Date: Saturday, October 24, 2026

Time: 7:00 AM

Location: Ocean Isle Beach

There's something special about race day at the coast — the runners, the energy, the challenge, and that feeling when you cross the finish line knowing you earned every mile. Our courses take you through some of the island's prettiest communities, and the Half Marathon basically gives you a guided tour of the whole place like a scenic island loop, but with more sweat and better bragging rights.

The curb appeal is evident as you approach the home, with a lovely yard and welcoming screened front porch. This floor plan is very functional, with a comfortably-sized living room, open to the dining area and adjacent to the kitchen. The primary bedroom is on one side of the home, with the guest bedroom on the other for privacy. LVP flooring has been installed throughout the home and the living room boasts a wood burning fireplace. The kitchen is quite functional with plenty of cabinetry and even a pantry. The generous three-season room with EZ Breeze windows is accessible through

sliders in the dining area. A door from this room leads to the patio area as well. In addition to the attached one-car garage, there is a separate storage building in the backyard. Whether you are storing yard equipment or beach gear, you will have plenty of room here! This community is a favorite in the area, offering low HOA dues, a clubhouse and a community pool. The location cannot be beat, right down the road from the town area of Calabash with its shops and seafood restaurants, and right between the beaches of Sunset Beach and Cherry Grove.

Welcome to easy living in this luxurious Eastwood Bluffs townhouse in the conveniently located and vibrant resort community of Sea Trail! You will not need to do a thing to this home as these meticulous owners have taken excellent care of this property. All three bedrooms have their own ensuite with walk-in closets and tiled showers. Carrying groceries? The elevator, with stops at all three floors, will make your life easy. This floor plan is fantastic for additional family members or guests, as the ground floor can be its own entire private suite. The second floor boasts a grand kitchen with quartz counters, tile backsplash, gourmet appli-

ances including a wall oven, convection microwave, gas cooktop and vent hood, and a pantry. The kitchen, living room and dining room are all adjacent to each other, in an open and airy space ideal for entertaining or lounging. The shiplap accent wall, wainscoting, crown molding, and fireplace add to the high-end feel of this floor. The massive sunroom contains a mini-split system and tiled floor, and is large enough for both a sitting and eating area. Whether you prefer to keep the room on the second floor as an office or a bedroom, the choice is yours. Upstairs on the third floor is the primary suite, and a second large guest bedroom that could

be considered a dual master as it too has its own ensuite. There is also a spacious laundry room with built-in shelving and a barn door in the hallway between the two bedrooms. This home also boasts a Kinetico whole-house water softener with UV light, a Kinetico K5 drinking water filter at the kitchen sink, and a Kinetico PFAS POU water filter on the refrigerator. The 1 ½ car garage with keyless entry allows room for a car and a golf cart, and with epoxy flooring and a storage rack, it is ready to go for a new owner!
